

LIABILITY WAIVER

As you may have already noticed, or will soon become aware of, you are in the remote, the "finis terrae" of all explorations. Everything you shall see and experience is reality. Nothing has been altered, domesticated or softened. This is how it is.

We do not want you to take any risks and this is why we have taken all the necessary precautions for your safety. Please understand that we cannot take the chance either, that is why we kindly ask you to sign this document.

I hereby declare that I have been duly informed by **Chile Nativo Limitada**, (RUT 77.641.250 – 3) on the possible risks involved in the different excursions, trips or activities they organize.

I have also been informed of the physical conditions required by each of the specific programs, as well as the fact that first aid or medical assistance may not always be readily available. I have informed **Chile Nativo Ltda.** of any illness or incapacity that may hinder me from participating safely on explorations.

If I decide to participate in the excursions, trips or activities organized by **Chile Nativo Ltda.**, I waive the company of all responsibility and liability for any accidents that may occur, illnesses that I may suffer, or incapacity that may derive as a consequence of the above mentioned activities, as well as loss or damage to any personal property or baggage or any cause that relates directly to the tour. In case of accidental death or death as a consequence of the same activities, **Chile Nativo Ltda.**, its partners or associates are by no means liable to any form of legal or financial responsibility.

Finally, I will be accompanied by the following minors (name, passport number, address).

The above mentioned minors will participate in the activities and excursions organized by **Chile Nativo Ltda.** under my exclusive responsibility. Therefore, I waive **Chile Nativo Ltda.**, its partners or associates, of any responsibilities deriving from illnesses, accident or any other damage, including death, occasioned in the minors as a consequence of these activities or excursions.

This waiver must be accepted by all my legal descendants or representatives.

I authorize the use of photos from my trip for future Chile Nativo web pages:
