

FAST TRACK W (3D/2N) (FTW) (0809)

Camping

Start/End Puerto Natales

This is the faster and cheaper way to trek the three main valleys of Torres Del Paine National park. You will visit the Lookout point to the famous towers in the Ascencio Valley, the Glacier Grey and the French Valley, with the companion of great guides and excellent pic nic lunches.

Day 1

At 7:30 we pick you up at your lodging in Puerto Natales. Our transfer takes us along an unpaved road heading to Torres Del Paine. When entering the Park, we will have excellent picture taking opportunities of guanacos (llama family) and Grey foxes, driving alongside lagoons frequented by Chilean flamencos and black-necked swans. We will start our first day trekking to the base of the Towers, following the Ascencio River to enter the Ascencio Valley. Our walk will be uphill for one hour before stopping to observe the first glimpses of the valley surrounded by unbelievable beech forests (Nothofagus family), glaciers and waterfalls. We'll continue through the valley for another hour and a half before ascending a huge terminal moraine to a lookout (900 M), excellent for picture taking. At this point we will be surrounded by three giant granite towers (2850 M) and a lagoon with slurry waters due to erosion produced by glaciers. This amazing view will be accompanied by lunch to add to the enjoyment. After being awed by the towers we'll start our descent, following the same path back to the camp.

(2 hours by transfer, 7-8 hours round-trip hiking, 18 KM) (BL-D) (Night at Camping Las Torres)

Day 2

A private transfer will take us to the west side of the Park going around Almirante Nieto Mountain (2750 M) with Nordenskjold Lake at its base. We will take a catamaran across the Pehoe Lake. From here we commence our out and back trek to the French valley. We will start going around the south-west side of Paine Grande, the highest summit in the Park, through native forests of fire bush and evergreen beech (Nothofagus Bethuloides), up to the hanging bridge over the French River to observe the first glimpses of the hanging glacier. Then we will ascend (300m) for one hour amidst a surreal Japanese garden landscape, crossing beech forests, to reach a view point, gifting us with magnificent panoramic views, where we enjoy a good lunch. Our way back will be the same, spending our first night camping at the shore of the Pehoe Lake.

(One hour by private transfer, 35 minutes by catamaran, 6-7 hours hiking, 17 KM) (B-BL-D) (Night at Camping Paine Grande)

Day 3

We will begin early morning with our hike to the Grey Glacier. Initially we will ascend 200mts up a winding narrow path leading us to Laguna Negra, and our first glimpses of the Southern Patagonia Ice Field with its many unclimbed mountains. We will advance through forests and crossing rivers, with possible sightings of spectacle and flying steamer ducks, up to the glacier view point. We will enjoy lunch at this place and if we are lucky, witness ice calving from the huge glacier wall into Lake Grey. We return, following the same path, with views of Cordon Olguin and Paine Grande, from where we will take the last Catamaran at 6.30 PM to start the return to Puerto Natales.

(7-8 hours walking, 22 KM, 35 minutes by catamaran, 1.5 hours by private transfer) (B-BL)
